What Sacred Heart Villa Does

Sacred Heart Villa is a Catholic Early Childhood Development Center. Every weekday in the summer children ages 2-9 enter a unique place that is designed just for them. The Villa is dedicated to the education and care of young children in a Catholic setting.

Sacred Heart Villa, founded in 1940, is owned and directed by the Apostles of the Sacred Heart of Jesus. The school is located on "The Hill" in St. Louis, MO. The mission and ministry have remained the same for 79 years—our commitment to the very young.
